

Hello , Dear Pintrest team

I'm Mazdak and I'm so intrested for being part of Pintrest team

let me introduce my self :

I'm an teenager programmer (15 y.o) that has 6 years experience in full stack web development I worked with many of programming languages and frameworks now I fully advanced in both backend and fronted (but I love backend and most of my skills are in backend)

Im 15 years old and Im student (right now in my country Schooling is temporarily over and it will star again 3 months later) in Iran

I love programming and anything that related to IT cause of this i can work very hard cause i love what i do

I want to find work in order to saving my salery and Immigrate to another country (cause i dont like my country)

my Skills:

backend : (python - django - postgresql -mysql -django rest frame work (and auth)-)

fronted ; (html - css - java script - bulma - bootstrap - vue.js - nuxt.js)

others : (git - docker - depolymment)

and i learning UI/UX too

my Hobbies:

Working as a programmer at some where like pintrest

Immigrate to another country

Astronomy - Quantum Physics - Mathematics - Artificial Intelligence - Programming - Web Design and ...
